TALE FEATHERS

EDITION 60

Elections will be held on May 11th for the Aerie and Auxiliary, if needed. Thank you for everyone who stepped up and filled a position. Now the newly elected Presidents have several committees that will need to be filled. Let them know what you would be interested in!

Please show your support for our Saturday meals. Each meal is designated for a Charity:

May 2nd is for the Building Fund

May 9th is for the New Years Eve Fund.

May 16th is for the Eagle Riders.

May 23rd is for the Building Fund.

May 30th is for the Auxiliary Charity of the Month (COM).

We are asking members and their guests to refrain from cussing. The F-word comes to mind. This is a violation of our house rules and sometimes it slips, but it should not be a part of our routine vocabulary while in the Aerie.

TAP TV is fun for all. Just download the app and show everyone your trivial knowledge!

Fun Fact:

World's Most Expensive Cocktail

The cocktail called "Diamond is Forever" from the Ritz-Carlton Tokyo currently holds the title of the most expensive cocktail in the world. This cocktail is served with 18-carat gold and a 1-carat diamond. Don't be surprised, as this drink is sold for \$22,600, equivalent to IDR 374,708,000.

Friendly Reminders:

- There is only one free drink discount per day, excluding Queen of Hearts.
- Everyone must place their membership card on the bar before ordering your first drink.
- Board of Trustees meeting is every Tuesday at 6:30
- There are two designated tables in the social room for non-smoking members. No other bar stools or tables are reserved. First come, first serve.

Trustee Responsibilities

Section 89.2 of the Constitution and Statutes states the Board shall have charge of the maintenance and operation of the home clubrooms and buffet belonging to the Aerie, and shall employ, discharge and control the conduct and duties of all the employees of the Aerie, except the Assistant(s) to the Secretary.

If a member sees a mess or something of general maintenance needs to be attended to, especially their own, then we should all help getting it taken care. You can ask an Officer for assistance but it does not mean it is the Officer or Trustees' job to do the chore themselves. We are all responsible for our own home. Ashtrays, trash, empty cans/bottles, spills on the floor, etc. are items that some avoid but are quick to point these items out. DO YOUR PART PLEASE!!!

Did you know that money collected for the cuss jar is allocated to the building and mortgage payoff fund? If you have a slip of the tongue then donate to the cuss jar. An empty cuss jar does not mean everybody stopped cussing. It just means the bartender did not collect from you.

CHARITY OF THE MONTH

Diabetes Fund

The diabetes fund began in 1978 as diabetes grew in prominence. To date, millions of dollars in grants have been issued by the Eagles for research and to provide organizations with upgraded resources to better treat the disease.

What is diabetes?

Diabetes is a condition that happens when your blood sugar (glucose) is too high. It develops when your [pancreas](#) doesn't make enough [insulin](#) or any at all, or when your body isn't responding to the effects of insulin properly. Diabetes affects people of all ages. Most forms of diabetes are chronic (lifelong), and all forms are manageable with medications and/or lifestyle changes.

Glucose (sugar) mainly comes from [carbohydrates](#) in your food and drinks. It's your body's go-to source of energy. Your blood carries glucose to all your body's cells to use for energy.

When glucose is in your bloodstream, it needs help — a “key” — to reach its final destination. This key is insulin (a [hormone](#)). If your pancreas isn't making enough insulin or your body isn't using it properly, glucose builds up in your bloodstream, causing [high blood sugar \(hyperglycemia\)](#).

Over time, having consistently high blood glucose can cause health problems, such as [heart disease](#), nerve damage and eye issues.

The technical name for diabetes is diabetes mellitus. Another condition shares the term “diabetes” — [diabetes insipidus](#) — but they're distinct. They share the name “diabetes” because they both cause increased thirst and frequent urination. Diabetes insipidus is much rarer than diabetes mellitus.

WE NEED PLAYERS!

As most of you heard, we had a plumbing crisis. The bottom line is that we had to have the septic tanks cleaned out and replace two pumps with a total cost of over twelve thousand dollars. The discovery phase was the crap (no pun intended) we pumped out of the tanks: Adult diapers, sanitary napkins, rubbers, and that is all we could see. No one wanted to sift through it and find other things.

We are asking the members to dispose of only urine, feces, and toilet paper in the toilets. **NOTHING ELSE!!!**

We are going to hold fundraisers to get our building funds back up and to pay down the mortgage. If you want to make donations we have a water jug on the right side when you come in the door or you can put it in an envelope and state it is for the **BUILDING/MORTGAGE PAY DOWN FUND** and drop it in the Trustee box outside the Secretary's office.

Please donate every day you come into the Aerie; Your spare change and loose dollars will provide valuable support and thank-you for your generous giving. A dollar a day would add up quickly if everyone got on board. Support your Aerie and Auxiliary today!
